### Skills

---

Experienced web developer proficient in Next.js, React, Tailwind CSS, TypeScript, Node.js, and Fastify for building efficient and responsive full stack applications. Proficient in Python for a wide range of tasks, including data analysis and scripting. Skilled in database management using Prisma and working with relational databases (e.g., MySQL, PostgreSQL) to ensure data integrity and performance.

---

### Experience

---

#### DS Sports / Full Stack Software Engineer

June 2023 - November 2023, Remote

As a Full-stack Engineer at DS Sports, I led the development of a greenfield project that consolidated company products into a centralized hub. I utilized React with TypeScript, Tailwind CSS, and Fastify for frontend and backend development, while also implementing Azure Bicep for Infrastructure as Code (IaC). My role involved optimizing relational databases, using Python for data consolidation, automation, and backend services, resulting in a streamlined data ecosystem and improved efficiency.

#### Major League Baseball / Professional Athlete

July 2018 - May 2022,

As a former professional athlete for the Chicago Cubs and Detroit Tigers, I bring a winning mentality, teamwork, adaptability and strong work ethic. My experience in a dynamic and collaborative sports environment has equipped me with the skills to excel as a valuable team member, fostering effective communication, embracing change, and inspiring colleagues to achieve collective success.

---

### Education

---

#### Arizona State University / GIT (Full Stack Web Development)

October 2022 - December 2024 (Expected)

Pursued a GIT (Full Stack Web Development) major with a 4.0 GPA, gaining comprehensive web development knowledge in both front-end and back-end technologies. Experience includes JavaScript, Node.js, React, Python, database modeling, Java, etc.

#### University of San Diego / Business Administration

September 2016 - May 2018

Attended the University of San Diego with a focus on a Business Administration degree before departing to pursue a career in professional baseball.
